

What if your dental program . . .

- **Saved you an average of 20-45% on the most common dental services?**

**For details, please refer to the fee schedule on pages 4-5 of this brochure.*

- **Was easy to use?**
- **Had no additional costs?**

Sound Good? We thought so too.

Altius is pleased to introduce its newest value-added program **AltiusExtra Dental**. This is not dental insurance. It is a discount fee-for-service arrangement.

Altius has arranged with a select group of providers who are eager to see Altius members with this plan.

You don't even need to enroll!

Your **AltiusExtra Dental** identification card is part of this brochure (see page 12), so you and each of your dependents can start saving money on dental services right away.

ALTIUS **EXTRA** *Dental*

- Your discount cannot be used with any other benefit or insurance plan
- All dentists are credentialed and responsible for the quality of their own work. Altius Health Plans Inc. does not guarantee nor is liable for the services provided by the dentists on the program.
