What if your dental program . . .

• Saved you an average of 20-45% on the most common dental services?

*For details, please refer to the fee schedule on pages 4–5 of this brochure.

• Was easy to use?

• Had no additional costs?

Sound Good? We thought so too.

Altius is pleased to introduce its newest value-added program AltiusExtra Dental. This is not dental insurance. It is a discount fee-for-service arrangement.

Altius has arranged with a select group of providers who are eager to see Altius members with this plan.

You don’t even need to enroll!

Your AltiusExtra Dental identification card is part of this brochure (see page 12), so you and each of your dependents can start saving money on dental services right away.
This plan is not dental insurance—it is a discount program, paid on a fee-for-service basis.

- Altius will not be billed for these services—you are responsible for all financial arrangements with the providers
- Care must be received in the dental office; hospital or out-patient care are not eligible
- This discount applies only to services provided by dentists on the program
- Your discount cannot be used with any other benefit or insurance plan
- All dentists are credentialed and responsible for the quality of their own work. Altius Health Plans Inc. does not guarantee nor is liable for the services provided by the dentists on the program.

### Advantages to You

- All dental services are discounted
- No paperwork or red tape
- No hoops to jump through
- No membership fees
- Immediate savings
- Unlimited usage
- Just call and make an appointment!

### How Does it Work?
