X - AUTHORIZATION & ACKNOWLEDGEMENT

I hereby apply for coverage with Altius Health Plans (Altius) for the persons listed on this application (collectively referred to as Applicants). When incorporated with the policy, this application and the medical benefits brochure become part of the policy. Once fully signed and executed, Altius and I agree to the terms set forth in the policy. I understand that coverage is dependent upon my satisfaction of applicable underwriting criteria. I also understand that no coverage will be in force until each person listed above is approved by Altius, that no benefits will be provided for any services which begin before the coverage is effective, and that benefits will not extend beyond the termination of either my coverage or the policy.

CONSENT AT ENROLLMENT: I authorize 1) all health providers and insurers to furnish Altius, and 2) all health providers and Altius to furnish all insurers and health providers records concerning Applicants for whom information is requested for any purpose required for the coverage of benefits including, but not limited to, the coordination of payments with other insurers or in connection with the provision of medical care. I understand that I or my authorized representative may receive a copy of this form containing this authorization for disclosure of information. A photographic copy of this authorization shall be valid as the original. For claim adjudication purposes, this authorization is valid for the duration of my coverage for health benefits through Altius. For purposes of collecting information for an insurance policy application, policy reinstatement, or a request for change in policy benefits, this authorization shall remain valid for 30 months from the date the authorization is signed.

I hereby declare that to the best of my knowledge and belief, the information given on this application, including the Health information in Sections V-VIII of this application is correctly recorded, true and complete. I understand that material omissions or misrepresentations regarding information provided on this application could cause an otherwise covered service to be denied and/or could void any coverage issued. If I subsequently become aware of information different from that provided in this application, I agree to provide that additional information promptly to Altius Health Plans. I understand that no agent or Altius representative is allowed to permit me to answer any questions inaccurately, untruthfully or incompletely, and I represent that such did not occur. I understand that it is my continuing responsibility to report to Altius changes in the eligibility of any Applicants who become members.

By signing this application, I agree on behalf of all Applicants that Altius may use or disclose to third parties the information contained on this application and individually identifiable health information relating to the Applicants for purposes of administering my health insurance benefits including treatment, payment, or health care operations, as those terms are explained in detail in the Altius Notice of Privacy Practices and to the extent permitted by law. My consent includes agreement for the use or disclosure of health information that may include diagnosis, prognosis, treatment, and payment information related to physical and/or mental illness, including substance abuse, Acquired Immune Deficiency

Syndrome (AIDS), AIDS Related Complex (ARC), or Human Immunodeficiency Virus (HIV). By signing this form, I also agree on behalf of myself and the other Applicants, to the extent permitted by law, health care providers, insurers, claims administrators, employers, and others may disclose the Applicants' personal information including individually identifiable health information that may include diagnosis, prognosis, treatment, and payment information related to physical and/or mental illness including substance abuse, AIDS, ARC, or HIV to Altius for administration of health insurance benefits including treatment, payment, or health care operations purposes and other purposes permitted by law.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE:

According to information you have furnished, you may intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Altius. Your new policy provides 10 days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors that may affect the insurance protection available to you under the new policy.

1. Health conditions that you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in a denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history.
4. Failure to include all material medical information on an application may provide a basis for Altius to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.

I understand the coverage for which I am applying excludes certain conditions/procedures for twelve months, regardless of whether or not they are pre-existing. I also understand that the coverage may limit or exclude conditions for which a family member or I have received, or have been recommended to receive, any medical advice, diagnosis, care, or treatment during the six months immediately preceding the date Altius receives my completed application, according to the pre-existing conditions limitations provisions of the policy. I understand that this application will become part of the policy.
