SelectHealth has made a concerted effort to design the HealthSave coverage in compliance with the requirements for a High Deductible Health Plan (HDHP) under federal law (Section 223 of the Internal Revenue Code). However, SelectHealth makes no representations or warranties about the legal adequacy of this coverage as an HSA-compatible plan. SelectHealth is not responsible for any issues relating to your use of the coverage in conjunction with an HSA including, without limitation, your compliance with the requirements of the Internal Revenue Code.

As with most HSA vendors, a nominal fee will also be charged if you choose to terminate the account once it has been established.

## Authorization to Disclose Health Information to SelectHealth for Pre-Enrollment Underwriting Purposes

**NOTICE:** By signing this form, you give SelectHealth the right to gather medical information about you and your dependents for whom you have legal authority to sign (e.g., a minor child). SelectHealth typically gathers both paper and electronic records. This information helps SelectHealth make an educated decision about insuring you and your dependents.

### I. AUTHORIZATION

I authorize any health plan and any healthcare provider (including any pharmacy) to disclose medical information about me to SelectHealth for purposes of determining my eligibility for health insurance coverage as requested in the application dated \_\_\_\_ / \_\_\_\_ / \_\_\_\_\_. The medical information I authorize to be disclosed includes any medical information related to my insurability, except for any genetic test results about me or a blood relative of mine.\*

\*Utah law prohibits insurers from using genetic results for underwriting purposes.

### II. INFORMATION FOR APPLICANT AND DEPENDENTS

I understand the following information:

1. I may refuse to sign this Authorization, or I may revoke it if I have not been enrolled in SelectHealth by sending my written request to SelectHealth; however, if I do so SelectHealth may refuse to enroll me;
2. A healthcare provider may not condition my treatment on signing this Authorization;
3. Another health plan may not condition payment, enrollment, or eligibility for benefits on my signing this Authorization;
4. I understand that the information that SelectHealth receives because of this Authorization may be redisclosed and no longer protected by federal or state regulation. Items 5 and 6 of this section limit the potential for redisclosure of my information.
5. If SelectHealth does not enroll me, it may not use or disclose the information it receives because of this Authorization for any purpose other than underwriting, except as may be required by law (if SelectHealth denies insurance coverage because of an individual's health condition, Utah law requires SelectHealth to tell the applicant specifically what this health condition is);
6. If SelectHealth does enroll me, it will only use information disclosed under this Authorization for purposes described in its notice of privacy practices;
7. Unless revoked, this Authorization will remain in effect for underwriting purposes until 60 calendar days from the date SelectHealth has approved or rejected my application.

**J. AUTHORIZATION AND ACKNOWLEDGMENT**

I hereby apply to be enrolled with my listed dependents, if applicable, for coverage with SelectHealth. When incorporated with the Contract, this Application and the Member Payment Summary become part of the Contract. Once fully signed and executed, SelectHealth and I agree to terms set forth in the Contract. In connection with both this Application and any SelectHealth coverage that may be obtained, I am acting as agent and/or as natural guardian for my spouse and other dependents. Further, in dealing with SelectHealth, I agree to act on behalf of myself and my dependents. I understand that coverage is dependent upon my satisfaction of applicable underwriting criteria. I also understand that no coverage will be in force until each person listed above is approved by SelectHealth, that no benefits will be provided for any services which begin before the coverage is effective, and that except as expressly provided in the Contract, benefits will not extend beyond the termination of either my coverage or the Contract.

**Consent at enrollment.** I understand that no agent or SelectHealth representative is allowed to permit me to answer any question inaccurately, untruthful, or incompletely, and I represent that such did not occur. I understand that it is my continuing responsibility to report to SelectHealth changes in the eligibility of any applicants who become members.

I understand that the data obtained by the use of this authorization will only be used to determine eligibility for coverage and for future benefit administration. I understand that my choice of healthcare providers whose services will be covered may be restricted by the Contract, and I agree that any services which are obtained without or contrary to required preauthorization/precertification requirements in the Contract may be denied coverage. I understand the coverage for which I am applying may limit or exclude certain conditions and may exclude conditions for which a family member (including myself) has received any medical diagnosis or treatment or taken any medication or where symptoms were or should have been evident prior to his or her coverage effective date, according to the pre-existing conditions limitation provisions of the Contract. I understand that this Application will become part of the Contract.

**Notice to applicant regarding replacement of accident and sickness insurance.** According to information furnished, you may intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by SelectHealth. Your new policy provides ten days within which you may decide without cost whether you desire to keep the plan. For your own information and protection, you should be aware of and seriously consider certain factors, which may affect the insurance protection available to you under the new plan.

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new plan. This could result in a denial or delay of a claim for benefits under the new plan, whereas a similar claim might have been payable under your present policy or plan.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical or health history.
4. Failure to include all material medical information on an application may provide a basis for SelectHealth to deny any future claims and to refund your premium as though your plan had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.

**I hereby declare that to the best of my knowledge and belief, the information given on this Application, including the health information on pages four and five of this Application, is correctly recorded, true, and complete. I understand that material omissions or intentional misrepresentations regarding information provided on this Application could cause an otherwise covered service to be denied and/or could void any coverage issued. If I subsequently become aware of information different from that provided in this Application, I agree to provide that additional information promptly to SelectHealth.**

3. I have no authority to: a) make, alter, interpret, or discharge an application or contract in the name of SelectHealth, or b) waive any of the terms of conditions of the Contract.
